Matthew 13:36 is a powerful verse! Jesus sent the multitudes away and went into the house. That's a very prophetic movement He makes! **Jesus is in the house!** That is the great need we have today! May the church find its true significance in this and this alone, that Jesus is in the house! His special presence is there. An unveiling takes place there! It is a time of revelation and communion with Him! He's going to show His disciples who He is and what's on His heart for the hour they are in. Along with that, Jesus is going to get personal with them. Jesus is in the house! That is the great thing! Secondly, something else happens. His followers came unto Him there wanting to meet with Him and to be taken farther. As we gather together this spring may we all know this one great truth... Jesus is in the house and may we also draw near to Him with each other, to see Him afresh and to hear from His heart as they did that day.
